ACKNOWLEDGEMENT OF COUNTRY

TAFE SA acknowledges the traditional owners of the land on which our campuses are located. We pay our respects to their Elders past, present and emerging and extend that respect to other Aboriginal and Torres Strait Islander peoples. TAFE SA is committed to honouring Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land and waters.

WHY TAFE SA?

I AM AN INTERNATIONAL STUDENT WHO IS...

A SCHOOL STUDENT

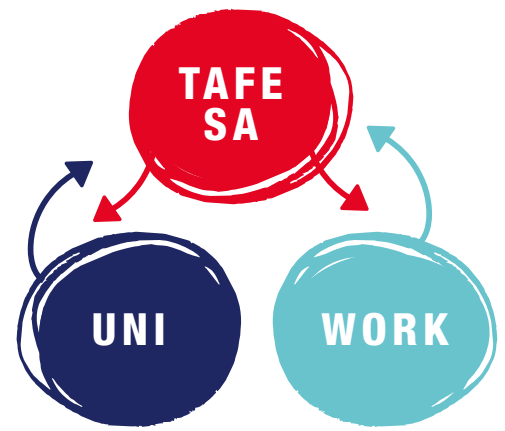

TAFE SA has everything you need to figure out your next steps in life. With a diverse range of qualifications, course areas, and essential student support and welfare services, we can assure you and your loved ones that you are in capable hands. See page 44 for more.

READY FOR TERTIARY STUDY

Whether you are looking for an award course, a packaged pathway to university or simply wishing to improve your English language skills, we have courses to suit. See page 21 for information for onshore and offshore students.

ALREADY IN THE WORKFORCE

Enhance your skills to switch or boost your career. With suitable course durations and hands-on training, you can get where you want to go faster. See page 15 for types of TAFE SA qualifications.

I WANT...

A PATHWAY TO UNIVERSITY

Secure your future with a guaranteed entry into a connected university degree, after successfully completing a TAFE SA qualification. Credit transfer is also available for many courses. See page 16 for more.

QUALITY EDUCATION AND SUPPORT

At TAFE SA, our lecturers are all highly experienced, as well as active in their fields of expertise. With class sizes mostly between 15 and 20 students, you will experience a more rewarding study journey through increased personal assistance and attention. See page 12 for more student services.

INDUSTRY CONNECTIONS

Many of our courses include industry work placements as part of the course program. These work placements give you first-hand experience of the workplace, allowing you to test your skills and make valuable industry contacts.

REAL SKILLS

Our teaching methods blend theory with hands-on, practical learning using industry-standard facilities and technology, so when you complete your course, you are job-ready. See page 10 for more about our specialist education centres.

ENGAGING EXPERIENCES

From your arrival until graduation, we want you to make the most of your time with us. You will always be in-the-know about what's going on around campus and in Adelaide. Join free webinars, events and social programs to meet students from TAFE SA and other institutes. Visit studyadelaide.com

A COMPETITIVE EDGE

Even if you already have a university degree or years of work experience, learning practical skills and gaining an understanding of the most recent advances in your field gives you a competitive edge in the job market. Qualifications from TAFE SA are recognised throughout Australia and in many other countries.

CAN'T FIND WHAT YOU'RE LOOKING FOR?
Scan the QR code or visit tafesa.edu.au/international for more information.

TOP REASONS TO CHOOSE TAFE SA

QUALITY

Our qualifications are nationally recognised and give you the skills that employers want. We consult with industry and make regular updates to ensure they stay that way.

HANDS-ON

TAFE SA courses are known for being highly practical to provide the real skills you'll need to succeed in your chosen career.

EXPERT

Our award-winning lecturers are experts in their field. We provide hands-on, job-ready learning thanks to our close ties with industry.

WORLD CLASS

Access the latest learning technologies through our unrivalled and award-winning specialist education centres. See page 10 for more.

CHOICE

We have a wide variety of courses available to support almost every interest or career path.

AFFORDABLE

TAFE SA courses may be more affordable and take less time to complete than a university degree.

POINTS FOR PRIOR LEARNING

We recognise prior learning and experience, which may reduce your length of study and costs. Scan the QR code for more information.

Hahndorf Hill Winery, Adelaide, Marc Dobson.

GLENELG

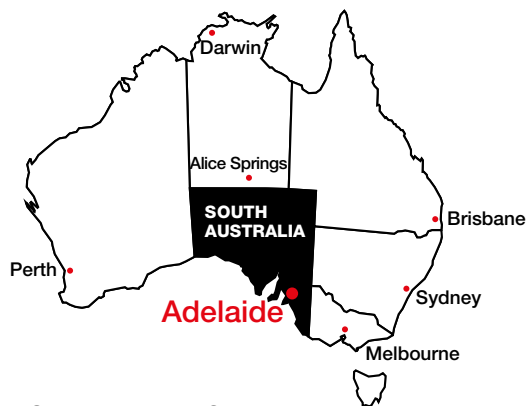

Glenelg, Adelaide, Shane Daw.

ADELAIDE CBD

2K.W Bar and Restaurant, Adelaide, Johnathan van der Knaap.

AFFORDABLE LIVING

Living in Adelaide is cheaper than most Australian cities. The cost of rent, transport and food is lower, which means a better quality of life for students.

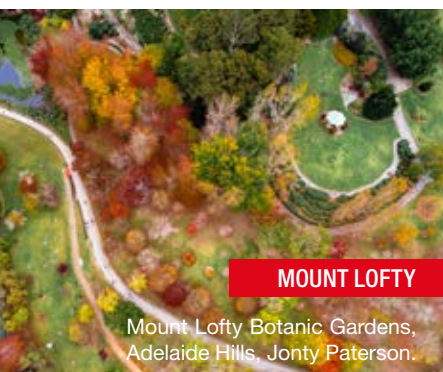

There are also job opportunities in Adelaide. Your student visa gives you automatic work rights in Australia, meaning you can work up to 40 hours per fortnight while studying, and unlimited hours during term breaks.

SAFE AND WELCOMING

Adelaide is an inclusive, multicultural city. People from more than 125 nations live here, bringing variety and vibrancy to the city. You are free to practice your culture and faith here without discrimination, and you will get to meet people from all over the world. Our crime rates are some of the lowest in the country.

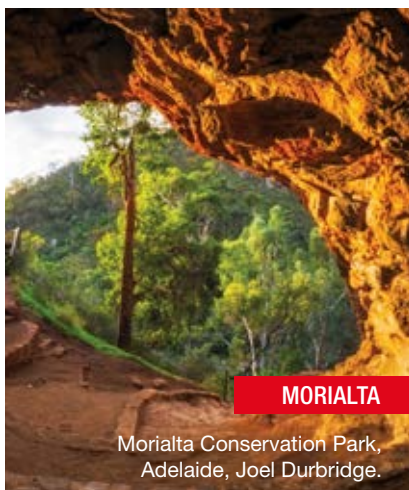

EASY TO GET AROUND

Adelaide's design is based on a square grid layout surrounded by green parkland, so it is easy and pleasant to find your way around. The flat terrain makes walking and cycling easy, and you can drive if you have an international driver's licence. A public transport system of buses, trains and trams covers the city and suburbs – there is even a free 'city loop' bus and tram around the city centre. All international students can get cheaper tickets – just show your student ID card.

SPECIALIST CENTRES AND VIRTUAL LEARNING

ACCESS THE LATEST LEARNING TECHNOLOGIES THROUGH OUR UNRIVALLED AND AWARD-WINNING SPECIALIST EDUCATION CENTRES AND DISCOVER OUR NEW VIRTUAL LEARNING EXPERIENCES.

TAKE A VIRTUAL TOUR OF OUR TONSLEY CAMPUS AT [TAFESA.EDU.AU/TONSLEY](https://tafesa.edu.au/tonsley) STAY TUNED FOR MORE VIRTUAL CAMPUS TOURS COMING SOON!

VIRTUAL SHIP ENGINE ROOM

Explore your studies in 3D! The virtual environment of a ship's engine room provides invaluable context and builds your understanding of the complex systems and constraints that need to be taken into account when designing naval vessel interiors.

TAFE SA and Odyssee Aus Engineers developed this new digital learning opportunity for our students and those interested in the naval shipbuilding industry. Visit tafesa.edu.au/defence

ADELAIDE COLLEGE OF THE ARTS

Purpose-designed to achieve excellence in arts training, Adelaide College of the Arts is where students can live and breathe their passion for arts and design. At every turn you'll find highly specialised spaces to hone your talents and develop practical skills – from film and TV, computer generated images (CGI) and visual effects (VFX), digital media, and sound and technical production, to acting, dance, visual arts, fashion and photography.

TONSLEY

TAFE SA's Tonsley campus provides nearly 45,000m² of world-class, energy-efficient, trade training infrastructure for the \$15 billion South Australian building and construction industry. Tonsley brings together all the building trades under one roof, enabling you to learn and work together with other trades, just like you would on a real work site.

REGENCY INTERNATIONAL CENTRE

Immerse yourself in the world of cookery, hospitality, bakery, butchery and food processing at the Regency International Centre. Boasting a state-of-the-art brewery, cheese making facility, coffee academy, wine sensory rooms, training bars and restaurants, commercial kitchens and bakeries, students learn through gaining real, hands-on experience.

TRAINING SECURITY OPERATIONS CENTRE

Learn how to prevent cyber-security attacks at TAFE SA's brand new Training Security Operations Centre (TSOC). The facility provides hands-on simulated training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity. The TSOC is the first of its kind in the state's VET sector. It includes a red 'attack' room and a blue 'defence' room that mirror real-life scenarios. You can also experience a range of simulation and testing opportunities, as well as interact with other TSOC's across the country. It also features the latest hardware and software from a variety of industry partners including CISCO, Microsoft, Fortinet, Splunk, IBM, HP Aruba, VMWare, AWS and Palo Alto.

ADVANCED WELDER TRAINING CENTRE

Learn in a simulated environment at TAFE SA's new Advanced Welder Training Centre. Home to 12 welding simulators, which are the most advanced of their kind in the world, they ensure that local welders are ready to respond to the increased demand for their skills in advanced manufacturing and as part of the naval shipbuilding program.

CENTRE FOR DENTAL STUDIES

Part of the South Australian Broadband Research and Education Network (SABRENet), the Centre for Dental Studies is a 36-station dental laboratory and a 28-chair dental clinic with a demonstration area that utilises intraoral and extraoral cameras.

VETERINARY AND APPLIED SCIENCE CENTRE

The Veterinary and Applied Science Centre is one of the largest purpose-built applied science and animal industries' training facilities in Australia. It includes a fully functioning veterinary clinic with surgery and radiology suite, a pathology demonstration theatre with CCTV monitors, and facilities for animal holding and grooming.

MINING, ENGINEERING AND AUTOMOTIVE CENTRE

Access the latest technologies in learning at the Mining, Engineering and Transport Centre. This purpose-built training facility supports the growth in the mining, civil and mechanical engineering, advanced manufacturing, transport and defence industries. Facilities include high-bay workshops, mining training practice drill rig and drill pad, land information systems survey equipment and computer software, CAD suite, advanced manufacturing 3D scanning and printing facilities, CNC mills, guillotines and plasma cutters.

STUDENT SUPPORT

We're here to help

At TAFE SA, we strive to make our education programs as inclusive as possible to ensure students can access the opportunities and guidance they need to get the best possible learning and career outcomes.

Our highly skilled Student Services team offers specialised support and wellbeing resources for students. This includes face-to-face individual assistance at most campuses as well as via phone, email or Skype.

[tafesa.edu.au/
international/
int-support-
services](https://tafesa.edu.au/international/int-support-services)

ORIENTATION

As a new student at TAFE SA, you will attend an orientation program where you will get to meet lecturers and other students, and be shown around your new campus. It is a great way to get familiar with Adelaide and settle into TAFE SA.

[tafesa.edu.
au/career-
services](https://tafesa.edu.au/career-services)

CAREERS AND PATHWAYS

Our career support can help you identify what you want out of study. It includes:

- > Setting vocational goals based on your strengths.
- > Developing a career plan.
- > Investigating career opportunities.

Career and study pathway guidance is available for prospective students, including those with complex needs.

[tafesa.edu.au/
counselling](https://tafesa.edu.au/counselling)

COUNSELLING SUPPORT

If you're experiencing problems that have an impact on your study, we can help you build the resilience and wellbeing that you need for life's ups and downs:

- > Dealing with study stress.
- > Motivation and organising your time.
- > Feeling anxious or depressed.
- > Relationship issues or conflict.
- > Financial or welfare issues.
- > Coping with change or crisis.

[tafesa.edu.
au/services/
libraries](https://tafesa.edu.au/services/libraries)

LIBRARIES

Our extensive state-wide library network provides books, magazines, videos, online resources and databases in your subject areas, in both print and electronic formats. Subject-specific resources and study guides, combined with classes in study skills and research, are designed to support your learning and study needs.

[tafesa.edu.
au/learning-
support](https://tafesa.edu.au/learning-support)

LEARNING AND STUDY

Students can access a range of flexible academic support options including access to Studiosity, our free after-hours online academic tutoring service that offers on-demand, one-on-one assistance by qualified tutors.

[studyadelaide.
com](https://studyadelaide.com)

STUDYADELAIDE

StudyAdelaide is a great source of information and support for international students. They run free competitions, giveaways and events, which are a wonderful way to meet other students and experience Australian life in Adelaide.

[tafesa.edu.au/
international/
english-
language-centre](https://tafesa.edu.au/international/english-language-centre)

ENGLISH LANGUAGE AND FOUNDATION SKILLS

Studying at TAFE SA requires that you have functional levels of English literacy and numeracy skills before you apply for and enrol in a course.

For those that need extra support, we offer a range of free and at-cost English Language services for our enrolled international students, including:

- > Free student conversation classes, held fortnightly during term/semester.
- > Short courses in English.
- > Certified English Language Courses.
- > Services to connect you to tutors and other English language support groups focused on reading, writing and conversation skills.

WHICH COURSE IS RIGHT FOR ME?

STEP 1. DECIDE ON A CAREER

Choosing a future career can be a daunting task, but we're here to help. To figure out which TAFE SA course is right for you, think about what your dream job looks like.

Answer the questions below to get started:

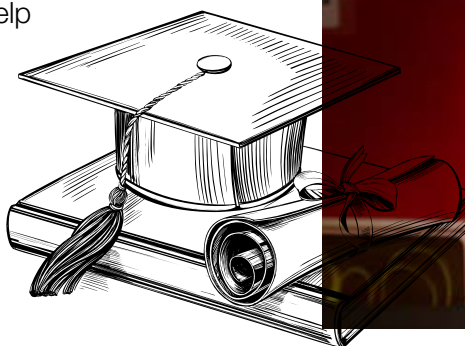

- > What motivates you?
- > Where do you see yourself in five years?
- > Do you want to work outdoors or in an office?
- > Whose work do you admire?
- > What do you enjoy doing in your spare time?
- > What did you want to be when you were younger, and why?
- > What are your transferable skills?

Make the most of TAFE SA's Career Services, which include a career planning worksheet, personal strengths analysis, personality and career motivation tests, and more.

Visit tafesa.edu.au/career-services or scan the QR code below.

STEP 2. check out our areas of study in the next section of this guide to see how TAFE SA can help you achieve your future goals.

TYPES OF TAFE SA QUALIFICATIONS

From basic skills to high level qualifications – we've got you covered!

Certificate III	Be able to use theoretical knowledge and problem-solve independently.
Certificate IV	Use your broad knowledge base to analyse and apply skills to different contexts.
Diploma	Acquire in-depth knowledge and advanced skills to work in technical or management settings.
Advanced Diploma	Apply complex techniques and specialist knowledge and be responsible for outcomes.
Associate Degree	Understand and interpret key concepts and theories in a chosen field.
Bachelor's Degree	Apply skills based on comprehensive knowledge learnt in a professional context.

PLUS we offer over 75 short courses and skill sets designed to help you upskill fast.

Visit tafesa.edu.au/short-courses or scan the QR Code below.

PATHWAYS TO UNIVERSITY

TAFE SA is a great option if you:

- > prefer the hands-on and supportive learning environment of TAFE SA
- > are seeking an alternative entry to university.

UNIVERSITY PACKAGED PROGRAMS

Our packaged programs with Flinders University, The University of Adelaide and The University of South Australia offer you an alternate way of achieving your end goal of a bachelor's degree.

Successful completion of a TAFE SA diploma, advanced diploma or associate degree guarantees* you entry into a connected undergraduate program at one of Adelaide's finest universities. It also reduces the length of time you are required to study at university and therefore the cost of your bachelor's degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and their South Australian university of choice and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

*Guaranteed only if students meet the minimum requirement to transfer to the applicable university.

CREDIT TRANSFER

Shorten the time it takes to complete a university degree by using your TAFE SA qualification to gain credit.

TAFE SA has many credit transfer agreements with universities for TAFE SA graduates. These can provide some advanced standing in university courses if you wish to undertake further education.

Gaining credit at university for the related study you have undertaken at TAFE SA can reduce the time and fees usually required to complete a bachelor's degree.

To claim credit, you must apply to the university in accordance with their credit transfer processes. If there is no formal credit agreement for your course, you can apply directly to the university for credit and they will assess your evidence on a case-by-case basis.

Being eligible for credit does not guarantee that you will be offered a place in a university program. Credit will normally be granted after you have been offered a place.

ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

University Packaged Program students often benefit from shorter study durations, and competitive tuition fees. Other advantages include:

- > A guaranteed* pathway to university for students who have not quite met the requirements for direct entry.
- > Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- > Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

HOW TO APPLY

If you are applying for a Flinders University, The University of Adelaide or The University of South Australia packaged program, you only need to submit one application to TAFE SA.

To apply for a university package or find a mutual education agent of TAFE SA and one of our partnering universities, scan the QR code or visit tafesa.edu.au/int-uni-pathway

HIGHER EDUCATION

Vocationally focused, a TAFE SA higher education qualification provides students with practical skills and the conceptual background needed to operate in complex situations.

TAFE SA DEGREES

A TAFE SA bachelor is equivalent to a bachelor offered at an Australian university and is accredited by the national higher education regulator. Our applied learning approach and small class sizes means a more facilitated higher education learning environment and additional interaction with your fellow students and lecturers.

TAFE SA ASSOCIATE DEGREES

A TAFE SA associate degree gives you options. Study at this level will prepare you to go into the workforce immediately as a highly skilled employee, or you can go on to study at university in a related field using the credits you earn from your studies in the associate degree.

Check out page 27 and 39 for more information.

LOOKING FOR A HIGHER EDUCATION COURSE FOCUSED ON INDUSTRY?

We have courses to fulfill your study needs and support your future career path in:

- > Building and Construction
- > Hospitality and Tourism
- > Civil, Structural and Mechanical Engineering
- > Electronics and Communications

For any available scholarship opportunities for international students wanting to study higher education, see page 46.

WHY TAFE SA FOR HOSPITALITY?

With a strong focus on business and management skills, the **Bachelor of Tourism, Hospitality and Events Management (099074G/CRS1400588)** offers you a competitive edge for careers in hospitality or hospitality-related positions both in Australia and internationally. The course offers many highlights:

- > Small class numbers for both lectures and tutorials.
- > Lecturers who are committed to quality, high-level education.
- > The combination of practical learning and on campus delivery enabling you to apply theoretical concepts to a wide range of practical situations.
- > Practical placements in selected four and five-star establishments allowing you to acquire invaluable experience to apply your skills and learning.
- > Close industry liaison ensuring the design of the program is up to date and matches the demands and expectations of professional organisations.

Scan the QR code for more course information or visit tafesa.edu.au/int-hospitality

"I started with a Certificate IV in Commercial Cookery and ended up with a Bachelor of Hospitality Management. The whole time I was with TAFE SA it became my second home"

Fernando Sududewage, TAFE SA International Graduate, Bachelor of Hospitality Management, at TIROS Restaurant

tafesa.edu.au/int-higher-ed

SKILLS IN DEMAND

Gain the skills employers want with TAFE SA. Our qualifications are relevant and up to date to ensure the students of today are the successful employees of tomorrow.

Here are some of the growing industries TAFE SA can prepare you for:

HEALTH

The South Australian Government has identified health and medical industries as a key growth sector for South Australia. TAFE SA will play an important role in skilling the next generation of workers in the health industry in our multi-site health training facilities including our new health learning precinct at the Adelaide City Campus and our Dental Clinic and Dental Technology Laboratories at Gilles Plains. TAFE SA learning environments support students in health qualifications to gain the industry experience, skills and knowledge for success in their careers.

RENEWABLE ENERGY

The South Australian Government is committed to maximising the economic and job opportunities associated with renewable energy and energy storage projects to help meet both our energy needs and Australia's Paris climate emission agreements.

Focus areas include large-scale renewable energy generation and storage, demand-side energy, and supply-chain development of low-carbon technologies.

TAFE SA is ready to equip students with the skills needed to succeed in this exciting industry with our Electrical and Renewable Energy courses.

CYBER SECURITY

Cyber security is an expanding industry with employment opportunities steadily increasing over the past few years.

To support this demand, TAFE SA recently launched a state-of-the-art Training Security Operations Centre (see page 11), which provides training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity.

In addition, TAFE SA offers the Certificate IV in Cyber Security (0100337/22334VIC), the first national skills-based certificate level qualification, giving our graduates the skills they need for employment in the cyber security industry.

INDUSTRY FOCUSED STUDY AREAS

FOR INTERNATIONAL STUDENTS

Our study and training areas are often designed in consultation with industry, meaning TAFE SA courses are built with the needs of your future employers in mind.

Check out our areas of study and see how we can help you to get ahead in your future career.

ENGLISH LANGUAGE

TAFE SA's English Language courses focus on developing essential English communication skills for personal or professional development.

Our English Language Intensive Courses for Overseas Students (ELICOS) are taught at the only government-owned English Language Centre in South Australia and also offer clear pathways to TAFE SA and universities in Adelaide.

GENERAL ENGLISH

We tailor our courses to meet your individual needs, depending on your level of English, goals and study pathways. Develop your listening, speaking, reading and writing to improve your overall communication skills.

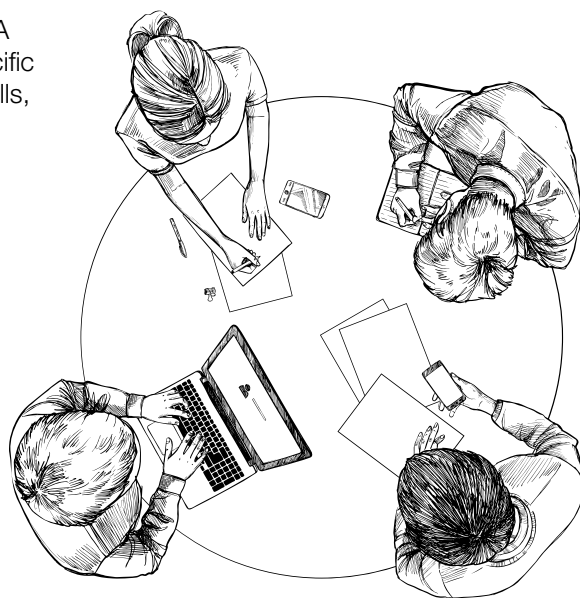

ENGLISH FOR ACADEMIC PURPOSES

Improve your English language skills for further study at TAFE SA or university. Focus on field-specific vocabulary, develop research skills, learn how to construct essays, work in groups and more.

WHAT IS THE ENGLISH LANGUAGE CENTRE?

TAFE SA's English Language Centre is located at our Adelaide City Campus in the heart of Adelaide. It offers affordable, intensive English language programs to help you achieve your future goals. Other benefits include:

- > Small classes and individual attention from highly qualified teachers.
- > Flexible start times.
- > Clear study pathways.
- > Access to the TAFE SA library and other valuable resources.

For more information about English Language courses, scan the QR code or visit

tafesa.edu.au/elc

tafesa.edu.au/int-arts

BUILDING & CONSTRUCTION

Do you love working with your hands?

A career in the dynamic building and construction industry could be your perfect fit.

A qualification with TAFE SA will set you up with the skills you need to excel as a professional in the industry and potentially establish your own business.

example

POPULAR PACKAGE

**Certificate IV in Building and Construction
(Building)**

(073643E/CPC40110)

**Diploma of Building and Construction
(Building)**

(085427C/CPC50210)

BUILDING, DESIGN & DRAFTING

Bring your ideas to life through building design and architectural drafting for residential, commercial and industrial buildings.

ELECTRICAL & RENEWABLE ENERGY

Get future-fit in this dynamic sector with courses covering new technologies in solar power and energy efficiency. Learn how to select, install, commission and maintain electrical and electronic equipment.

WHAT IS AN ASSOCIATE DEGREE?

A tertiary qualification that provides you with a range of transferable skills in your field of choice.

Other benefits include:

- > A two-year, full time higher education course.
- > It gives you a strong grounding in your field, based on practical experience.
- > You gain two years credit into a four year Bachelor of Engineering at university.
- > You graduate job ready, with the skills that employers want, ready to work as an Engineering Associate (para-professional).

SOUND GOOD?

Check out our
**Associate Degree
in Electrical
Engineering**
(092137K/CRS1400352)

This associate degree gives students a firm foundation in both theoretical study and practical skills, with an emphasis on strong site management skills as needed by the construction industry. You will have opportunities to work on real-world examples and experience work placements in the field.

For further information about Building and Construction scan the QR code or visit

tafesa.edu.au/int-building

HAIR & BEAUTY

Combine your creativity and people skills with a career in hair and beauty.

Whether you're interested in becoming a beauty therapist, hairdresser, barber, nail technician or make-up artist, TAFE SA can help you get there.

Enjoy a real-world salon experience at our in-house training facilities where you will practice hair cutting, styling and colouring, body treatments, spa therapy, facials, massage, nail technology and customer service, all while making important connections in the industry.

OPEN TO THE PUBLIC

TAFE SA has hair and beauty salons that are open to the public. Our students and apprentices practice their skills under supervision in our well-equipped salons, providing hair, nail, tanning, waxing, facial and massage services at very reasonable prices.

>> STUDY

BEAUTY THERAPY

Learn the secrets of the beauty industry and practice your skills on real clients. Courses include beauty therapy, make-up, spa therapies and nail technology.

HAIRDRESSING AND BARBERING

Master a range of skills and techniques in cutting, styling, colouring and chemical treatments to build a career as a hairdresser or barber.

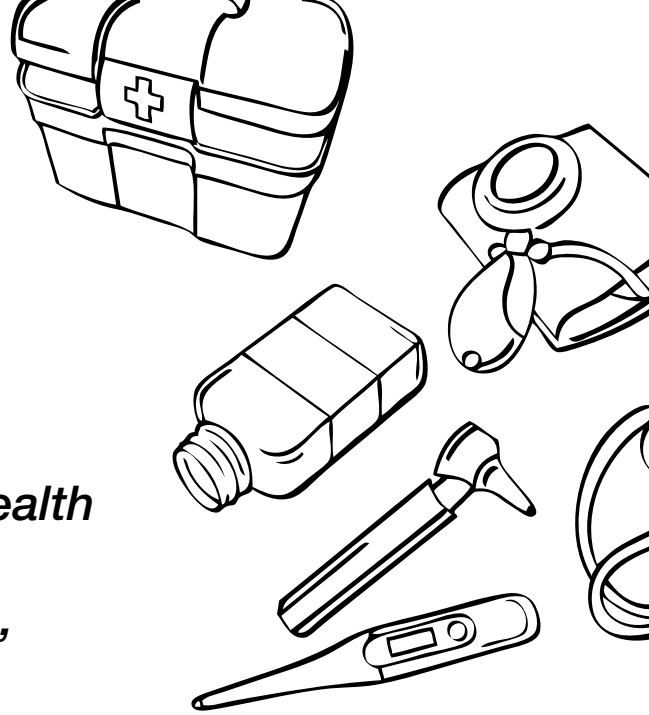

For further information about Hair and Beauty courses, scan the QR Code or visit

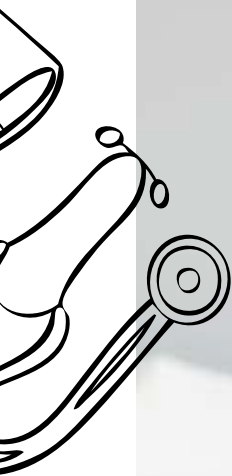

tafesa.edu.au/int-beauty

HEALTH & LIFESTYLE

Make a difference in the hands-on health and lifestyle industry where there is constant demand for knowledgeable, qualified staff.

With our qualifications, you can pursue a fulfilling career within one of the world's fastest growing industries, while improving the health and wellbeing of others.

>> STUDY

COMPLEMENTARY HEALTH

Learn to alleviate a variety of symptoms and assist with general health and wellbeing through natural therapies, like massage, that are an important part of an integrated approach to healthcare.

DENTAL

Become a qualified dental assistant, hygienist or technician and work closely with dentists to care for and treat patients' teeth and gums. Courses are available in dental care fields including radiography, practice management, technology and hygiene.

NURSING

Put your strong interpersonal skills to good use in a rewarding career in nursing. Study contemporary nursing practice, law and ethics, anatomy and physiology, health disorders, medication management and clinical nursing skills.

HOSPITALITY & TOURISM

Does the buzz of a busy kitchen or the aromas and flavours of food and wine excite you? Do you love discovering new destinations and events?

Then you'll feel right at home studying one of our cookery, hospitality, event management, travel or tourism courses. Whether people skills are your strength or food is your forte, we have study options that will allow you to flourish in diverse and dynamic careers.

example
POPULAR PACKAGE

Certificate III in Commercial Cookery
(094563J/SIT30816)

Certificate IV in Commercial Cookery
(094564G/SIT40516)

Advanced Diploma of Hospitality Management
(091139E/ SIT60316)

STUDY

BAKING

Immerse yourself in the world of sweet and savoury baked goods. You'll be able to put your cutting-edge skills to good use by working in bakeries, restaurants, cafés, hotels, catering companies, or even in your own business.

COOKERY

Become part of Australia's vibrant commercial cookery industry and get equipped with the skills and techniques you need to succeed. You'll develop your skills in food preparation, menu development, dietary requirements, and food safety in modern restaurant operations.

EVENT MANAGEMENT

Launch your career in the exciting world of events. Mentored by industry professionals, you'll learn how to manage diverse events—from private functions and business conferences to festivals and exhibitions. You'll fine-tune your skills in organisation, planning, and event creation.

STUDY OUR BACHELOR

Do a package and gain access to a pathway for our **Bachelor of Tourism, Hospitality and Events Management (099074G/CRS1400588)**. Alternatively, if you meet the admission requirements, you can dive right in! Learn more about our higher education courses on page 18 and 19.

FOOD TECHNOLOGY

Prepare for a career in the multi-billion dollar food processing industry by studying food science and technology. You'll gain fundamental knowledge in areas of food and beverage production, including dairy, cheese making, retail meat butchery, meat processing, baking, wine, and brewing. You'll be empowered to work in a variety of roles in this innovative industry.

HOSPITALITY

Learn specialist skills to forge a successful career in the hospitality sector. You can work in a hotel, restaurant, cafe, banqueting, or catering. With advanced studies, you'll also study marketing, finance, and human resource management, which can lead to employment opportunities in a variety of supervisory and management roles.

MEAT PROCESSING

The meat processing industry is enjoying a resurgence due to the artisan skills needed in preparing and cooking meat. You'll learn to select, cut, trim, prepare, and display meat products for sale. You'll also develop expert skills in food hygiene and sanitation, knife sharpening and humane animal handling.

TOURISM

Expand your horizons and prepare for a fun and rewarding career. You'll receive training in tourism operations, product development, and managing visitor experiences.

TRAVEL

Develop your knowledge of destinations far and wide. Our courses will give you access to professional knowledge and opportunities as you learn from industry experts.

For further information about Hospitality and Tourism courses, scan the QR Code or visit tafesa.edu.au/int-hospitality

INFORMATION TECHNOLOGY

Information Technology (IT) is heavily relied upon in the modern world, every single day.

From using an app on your phone, to governments around the world protecting online data and information through cyber security, it is all possible thanks to IT. Be a part of this exciting industry by gaining hands-on, practical training at TAFE SA.

TAFE SA IT courses are linked to industry-specific technologies and certifications, with industry standard training software, equipment and curriculum, so you can be sure your training is relevant and current.

TRAINING SECURITY OPERATIONS CENTRE

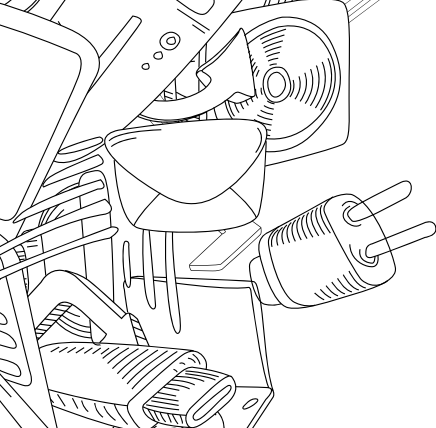

TAFE SA's new state-of-the-art Training Security Operations Centre provides training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity. See page 11 for more information.

example

POPULAR PACKAGE

- Certificate III in Information, Digital Media and Technology**
(0100235/ICT30118)
- Certificate IV in Information Technology**
(0101084G/ICT40118)
- Diploma of Software Development**
(0100328/ICT50718)

STUDY

DIGITAL MEDIA

The demand for digital literacy is now higher than ever. Upgrade your digital skill set, gain competency in a wide range of general ICT technical functions to achieve a degree of self sufficiency as an advanced ICT user.

IT SUPPORT

Get a broad working knowledge of systems used by organisations including hardware, software and networking, plus security, database management and troubleshooting.

NETWORKING & SECURITY

Work with the latest Information and Communication Technology (ICT) hardware, software and facilities to learn how to design and administer ICT networks in a range of settings. Study cyber security and learn how to monitor the risks of security attacks, implement appropriate software, develop systems to minimise network vulnerabilities and risks, and more.

SOFTWARE DEVELOPMENT

Dreaming of Silicon Valley? Learn how to develop mobile and web applications for Windows, iOS and Android operating systems.

WEBSITE DEVELOPMENT

Set yourself up as a website developer, designing, creating and optimising websites by integrating databases and following technical protocols and standards.

For further information about Information Technology courses, scan the QR Code or visit

tafesa.edu.au/int-it

MARKETING & COMMUNICATIONS

Do you have a curious mind and can think on your feet? This might be the career for you.

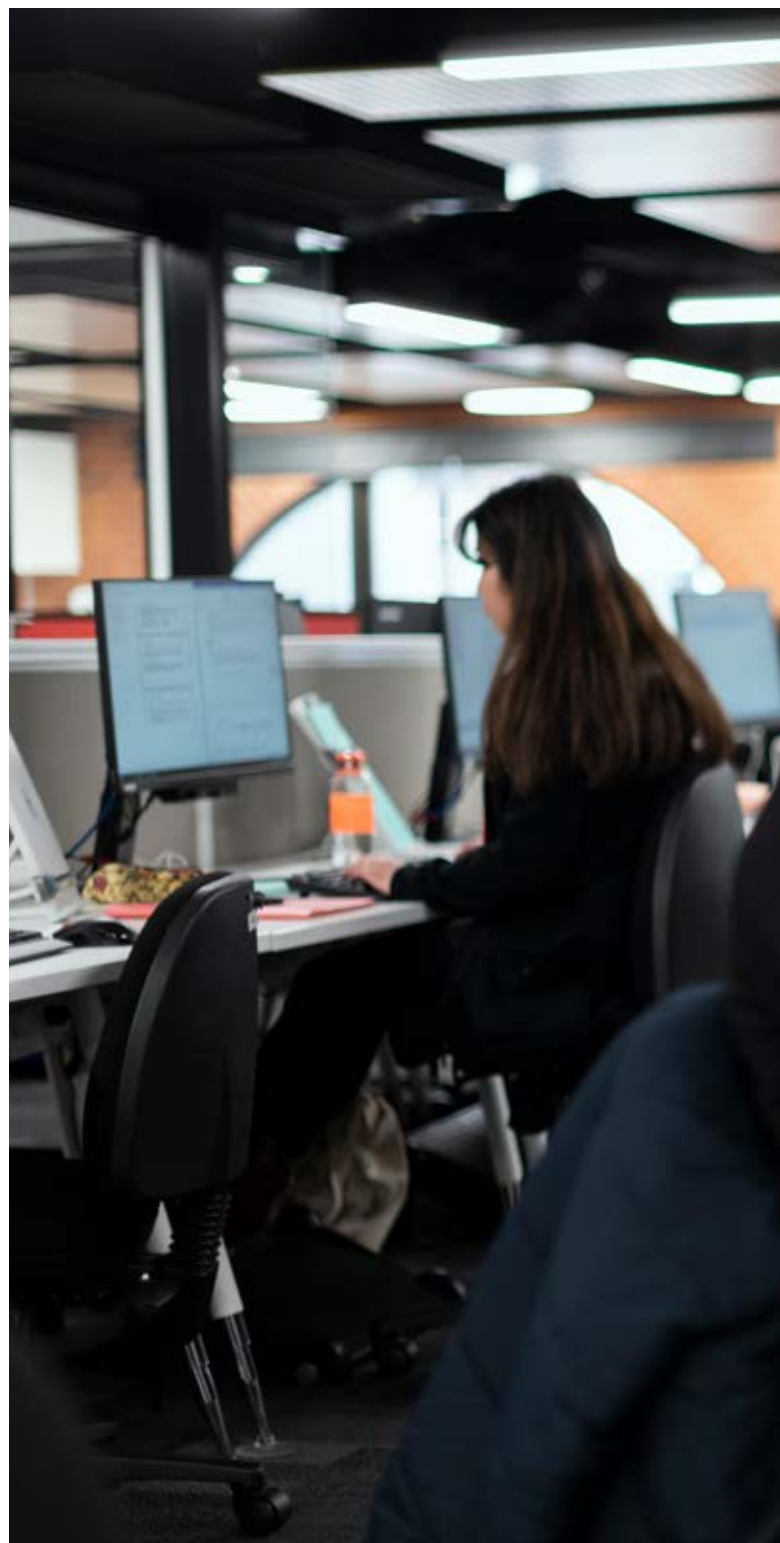

Open the door to a variety of business-oriented careers, through learning the principles of marketing and communication.

Learn how to effectively promote a business and gain versatile skills that could be used in any industry.

PRACTICE MAKES PERFECT

Our students experience working in a range of real-life business functions in our on-campus simulated business environments. Find out more by heading to the website.

STUDY

SALES & MARKETING

Establish yourself in a dynamic and creative industry across marketing, advertising, social media, business and sales. Learn the core principles and how to apply them in a variety of industries.

For further information about Marketing and Communication courses, scan the QR Code or visit tafesa.edu.au/int-business

MINING, ENGINEERING & AUTOMOTIVE

Our hands-on qualifications in mining, engineering and automotive will ensure you graduate skilled and ready to tackle your dream career.

Our courses range from entry-level training and apprenticeships to advanced courses for para-professionals, and pathways to university. Plus you'll have access to the latest technology and equipment.

example

POPULAR PACKAGE

Certificate III in Light Vehicle Mechanical Technology

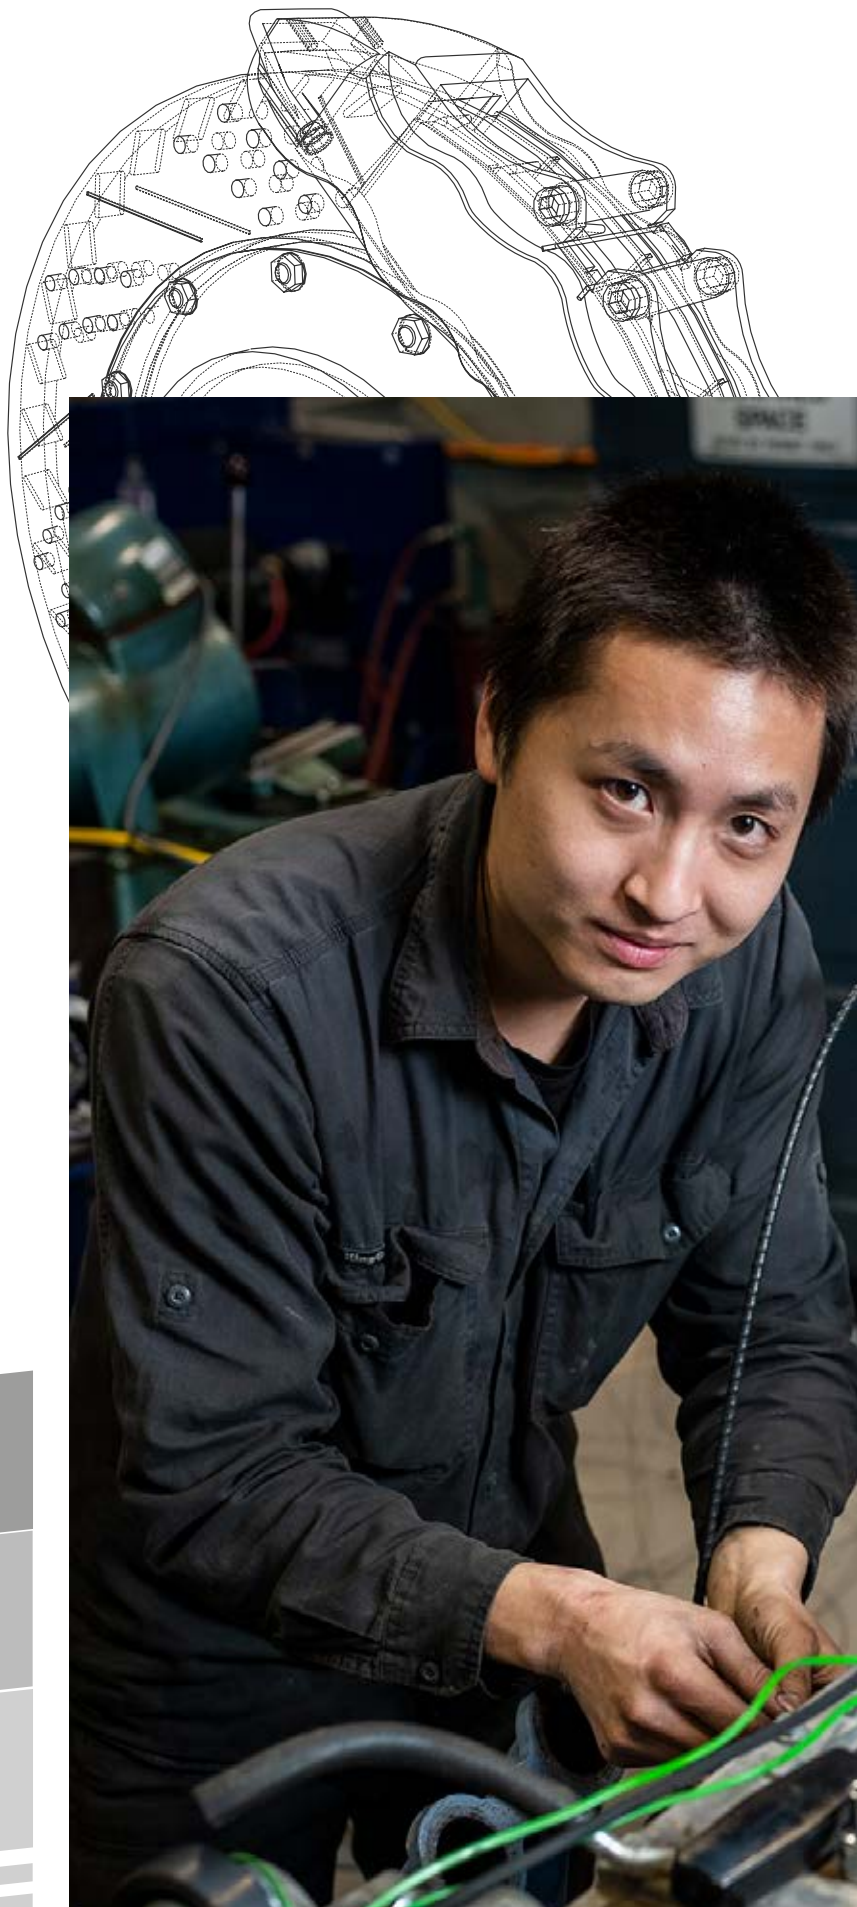

(091597A/AUR30616)

Certificate IV in Automotive Mechanical Diagnosis

(091649E/AUR40216)

Diploma of Automotive Technology

(091697G/AUR50216)

STUDY

AUTOMOTIVE

Gear up for an exciting career in the automotive industry with courses specialising in a wide range of vehicles – from light and heavy commercial vehicles to motorbikes, marine craft and more.

CIVIL, STRUCTURAL & MECHANICAL ENGINEERING

Are you a problem solver? Gain the knowledge you need to excel in engineering, whether you're already in the industry, or just getting started and need foundation skills.

ELECTRONICS & COMMUNICATIONS

Learn about electronics and communications, computer systems, cabling and security for a variety of roles in this ever-growing field.

MANUFACTURING & WELDING

From ships to city structures, there is endless variety in this field. Learn about welding and fabrication in manufacturing and put your talents on display in an industry that is in demand across the globe.

WHAT IS AN ASSOCIATE DEGREE?

A tertiary qualification that provides you with a range of transferable skills in your field of choice. Other benefits include:

- > A two-year, full time higher education course.
- > It gives you a strong grounding in your field, based on practical experience.
- > You gain two years credit into a four year Bachelor of Engineering at university.
- > You graduate job ready, with the skills that employers want, ready to work as an Engineering Associate (para-professional).

SOUND GOOD?

Check out our
Associate Degree in Civil and Structural Engineering (Design Drafting)
(092138J/CRS1400353)

This associate degree was developed to respond to the workforce development needs of the civil and structural consulting industry. You will learn construction practice, computing for engineering, basic drawing, construction geotechnics and much more.

FOUND THE PERFECT STUDY AREA?

Now it's time to find your course online!

Visit the **TAFE SA International Courses** web page and choose your desired study area. Explore our course options to see which one is right for you.

Alternatively, **ENQUIRE NOW** to speak to a TAFE SA team member about your future study plans.

Information on intake, entry requirements and costs is available online for each course.

You can also find information about recognition of prior learning, assessment methods, fees and refunds, student visas, Overseas Student Health Cover and more by visiting tafesa.edu.au/int-before-starting

ENTRY REQUIREMENTS*

The table below states the minimum academic entry requirements for international students at TAFE SA.

TO APPLY FOR	REQUIREMENT
Certificate III course	Satisfactory completion of Australian Year 10 or equivalent in your country
Certificate IV course	Satisfactory completion of Australian Year 11 or equivalent in your country
Diploma, advanced diploma, associate degree or bachelor course	Satisfactory completion of Australian Year 12 or equivalent in your country

Most foundation studies programs offered by Australian education institutions and universities are accepted as equivalent to Australian Year 12. Some exceptions apply.

To find out more about entry into our courses and if your overseas qualification is recognised as being equivalent to Australian Year 10, 11 or 12, please visit tafesa.edu.au/int-entry-reqs

*Entry requirements may vary for individual course or country.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

The minimum IELTS (or equivalent) score for entry to most TAFE SA courses is an academic IELTS of 5.5 with a minimum of 5.0 in all bands. Some students who do not have a current IELTS (or equivalent) score may be able to gain an English language test score for entry to TAFE SA courses by taking the TAFE SA English language test. Please visit tafesa.edu.au/int-enquiry to organise a test.

TAFE SA ENGLISH LANGUAGE CENTRE

TAFE SA's English Language Centre (ELC) is located in the heart of Adelaide and offers affordable, intensive English language programs tailored to suit all student needs. Its programs can provide entry into TAFE SA courses, as well as many undergraduate and postgraduate courses at The University of Adelaide, Flinders University and the University of South Australia. Or they can simply be used to improve your English while you are travelling or working in Australia.

ENGLISH LANGUAGE REQUIREMENTS

For admission to a TAFE SA course, international applicants are expected to be proficient in English. This can be achieved through passing an approved test, completing an English language course, or meeting an approved alternative requirement.

Please visit tafesa.edu.au/int-entry-reqs for more information on English requirements and equivalent tests.

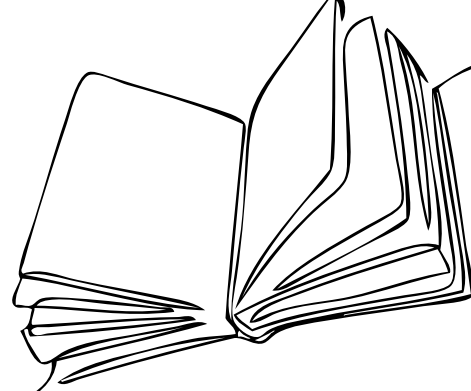

SPECIAL ADMISSION REQUIREMENTS

Some courses, such as our bachelor degree, associate degrees and nursing program, have special admission requirements that you will need to consider. This may include:

- > successful completion of certain subjects
- > a specific pass level in certain subjects
- > an IELTS score higher than 5.5, no band below 5.0
- > presentation of a portfolio or audition
- > passing an assessment or a test set by TAFE SA.

You should always check the entry requirements for your chosen course before you apply.

STUDENTS UNDER 18

For further information for students under 18 years, please scan the QR code or visit

tafesa.edu.au/int-under-18-years

Students younger than 18 years of age can study with TAFE SA.

You will need to be 17 years old when you start your study (at the date shown on your Confirmation of Enrolment (COE) but you can apply when you are 16 years old.

The Department of Home Affairs requires all students who are not living in Australia with their parents to have somewhere suitable to live and an appropriate adult who will be responsible for your care.

To apply for a student visa, students younger than 18 need to show the Department of Home Affairs that they have appropriate welfare and accommodation arrangements in place.

TAFE SA has approved Australia Homestay Network and International Student Alliance to provide welfare and accommodation services to these students and their families.

UNDER 18 APPLICATION PROCESS

- 1 Student applies to study with TAFE SA.
- 2 Parent or guardian decides who will provide care and accommodation for the student, i.e. parents or a close relative, or TAFE SA approved care and accommodation providers.
- 3 Parent or guardian completes the Welfare and Accommodation Arrangement Form and follows the process.
- 4 Via the form, care and accommodation arrangements are confirmed by the nominated caregiver accepting responsibility for the student under the age of 18.
- 5 Once all outstanding documents are submitted to TAFE SA, the student can accept the offer. The COE and Confirmation of Appropriate Accommodation and Welfare will then be issued (upon approval).
- 6 Students must not travel to Australia before the day their welfare arrangements begin.

WEATHER

South Australia has a temperate climate with four distinct seasons. With moderate winters and warm to hot summers, South Australia does not experience tsunamis or cyclones.

Summer

Dec – Feb
Mainly hot & dry
25°C – 35°C

Autumn

Mar – May
Mainly dry
20°C – 25°C

Winter

June – Aug
Cool & wet
10°C – 15°C

Spring

Sept – Nov
Little rain
20°C – 25°C

LIVING IN ADELAIDE

Where to live is an important decision when you move to a new city. For most people, rental and transport costs are important, along with finding somewhere close to your campus, workplace and other facilities.

TAFE SA international students choose between purpose built student housing, homestay and private rental. Consider creating a weekly budget, like the table below, to help narrow down your options.

ACCOMMODATION OPTIONS

PURPOSE-BUILT STUDENT HOUSING

There are many different types of purpose-built student housing in Adelaide, like individual studio apartments, shared apartments or dormitory accommodation. These often include internet access, utilities, furnished apartments and other services.

One example of affordable student housing is Regency International House at TAFE SA's Regency Campus. See tafesa.edu.au/int-accommodation

HOMESTAY

Homestay is living with an Australian host family. It is a great way to experience Australian life and practise your English in a welcoming environment. As a homestay student, you will have a bedroom with linen and a place to study, and you will share a bathroom, kitchen and other facilities with your host family. Most homestay hosts provide meals, or you may need to provide and prepare your own food. Visit Australian Homestay Network homestaynetwork.org

PRIVATE RENTAL

You can rent a house or apartment anywhere you like. On top of your weekly rent you will need to pay for utilities such as electricity, gas, water and telephone. Many students enjoy living in a shared rental home, as it is a good way to live independently while sharing these costs. If renting, you may need to sign a lease agreement with your landlord and pay a refundable bond in advance. Go to cbs.sa.gov.au/renting-and-letting for more information about your legal rights and obligations as a tenant or adelaidestudenthousing.com.au for accommodation listings.

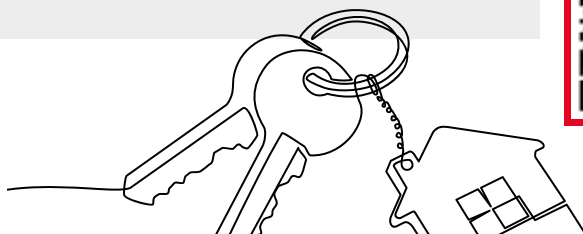

AVERAGE WEEKLY LIVING EXPENSES*

Groceries and eating out	\$80 - \$280
Gas, electricity	\$35 - \$140
Phone and Internet	\$20 - \$55
Public transport	\$15 - \$30
Car (after purchase)	\$150 - \$260
Entertainment/Clothes	\$50+

*Indicative costs \$AUD. More information about living costs:
www.studyinaustralia.gov.au/english/live-in-australia/living-costs

For further information about accommodation options, scan the QR Code or visit tafesa.edu.au/int-accommodation

INTERNATIONAL STUDENT SCHOLARSHIPS
