5 REASONS TO STUDY A TAFE SA UNIVERSITY PACKAGE

1

Get work experience

Many TAFE SA programs include work placements that give you valuable industry experience and make you more employable.

2

Part-time jobs

Work placements undertaken as a part of TAFE SA studies may lead to part-time job opportunities in your field of study.

3

Pay less in tuition fees

TAFE SA prides itself on having more affordable tuition fees than many of our competitors.

4

Trust and quality

We are a trusted government organisation with some of the most impressive training facilities in South Australia.

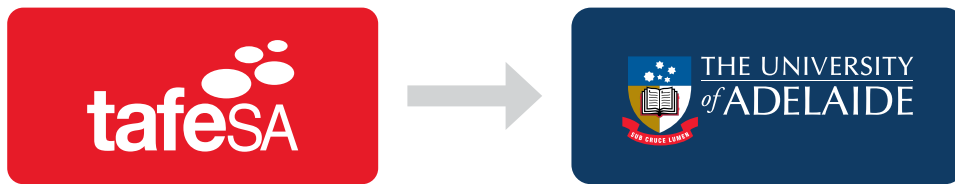

5

Two qualifications

Graduate with at least two qualifications in the time it takes most students to achieve one.

UNIVERSITY PACKAGED PROGRAMS

UNIVERSITY PACKAGED PROGRAMS

Our packaged programs with The University of Adelaide offer you an alternate way of achieving your end goal of a bachelor degree.

Successful completion of a TAFE SA Diploma, Advanced Diploma or Associate Degree guarantees* you entry into a connected undergraduate program at one of Adelaide's finest universities. It also reduces the length of time you are required to study at university and therefore the cost of your bachelor degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and the University of Adelaide and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

- > A guaranteed* pathway to university for students who are looking for a practical pathway to university.
- > Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- > Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

* Guaranteed only if students meet the minimum requirements to transfer to the applicable university.

HOW TO APPLY

If you are applying for a University of Adelaide Packaged Program, you only need to submit one application through the TAFE SA online application system.

Further details of the application specifics for University Packaged Programs are available on the TAFE SA website at tafesa.edu.au/international/university-pathway-programs

^ If students do not have Year 12 maths or overseas equivalent, they may wish to undertake the Diploma of Electronics and Communications Engineering 078960G / UEE50511 prior to this Associate Degree as a package. The Diploma will provide students with the necessary skills and knowledge in maths to receive entry into the Associate Degree. The combined Diploma and Associate Degree will take six semesters (3 years).

^ The Associate Degree in Electrical Engineering will be taught 70% at Tonsley Campus and 30% at Regency Campus, and some classes may be held in the evening. More details will be provided upon commencement into the course.

The Associate Degree in Electronic Engineering will be taught 70% at Regency Campus and 30% at Tonsley Campus, and some classes may be held in the evening. More details will be provided upon commencement into the Associate Degree in Electronic Engineering.

* This qualification has provisional accreditation by Engineers Australia. This accredited qualification is recognised in Australia and some overseas countries. Graduates of this course are eligible for migration skills assessment by Engineers Australia. The occupational outcome of this assessment is in the Engineering Associate (Draftsperson) category. The specific occupation code depends on the program studied and on the Engineers Australia guidelines. See the Engineers Australia website for further details: <https://www.engineersaustralia.org.au/For-Migrants/Migration-Skills-Assessment>

** Students doing the package of both the Diploma and Associate Degree will undertake course units from both qualifications during the 3rd and 4th semester of the 6 semester package.

*** The Associate Degree in Electronic Engineering is accredited by Engineers Australia. Accredited qualifications are recognised in Australia and some overseas countries. Graduates of these courses are eligible for migration skills assessment by Engineers Australia. The occupational outcome of this assessment is in the Engineering Associate (Draftsperson) category. The specific occupation code depends on the program studied and on the Engineers Australia guidelines. Disclaimer

As TAFE SA courses are continually being developed, improved or replaced, you are advised to confirm all details of the course on the website tafesa.edu.au/international before application. Every effort has been made to ensure that the information contained in this publication is up-to-date at the time of printing. TAFE SA may amend details without notice and for any reason in response to changing circumstances. Further, TAFE SA reserves the right to change the content, course fees or the method of presentation of any course, or to withdraw any course that it offers.

In addition, fees listed are valid for students enrolled in the 2021 academic year only. Students enrolled in new programs should be aware that annual course fees could be subject to an increase for each year of study at TAFE SA. You will be liable for these fee increases, as well as any other incidental fees, on acceptance of your offer from TAFE SA. Please check the TAFE SA website for current information and additional details.

University Packaged Program Disclaimer

All durations are approximate. Credit given towards a university program may reduce overall course duration and/or study load. Students applying for The University of Adelaide pathway will need to meet the university's English proficiency requirements before they enter their bachelor degree course. TAFE SA and The University of Adelaide course fees may be subject to yearly increases. For some pathway courses, students are required to take certain electives during their TAFE SA qualification to be eligible for the full credit amount.
